

Curating your most
precious *memories*

Rajjas is not just another event management Company, It is a name synonymous with hospitality and service for over fifteen years now. When you call us ,you can expect dependability, quality and most importantly, promises fulfilled. What makes it possible for us to serve you and meet you requirements is our very dedicated and young professionals who are driven by a need to keep our guests satisfied. Not to mention our vast experience of 17 years, At Rajjas, we are constantly finding innovative ways to plan and design events that match international level.

Experience the magic of *weddings* by **Rajjas**

For the most memorable and enriching time of your lives, we design your very special day by bringing your family together and assisting them with everything that you would need to make your dream wedding come true.

Everything from the invitation cards to hospitality, food, entertainment and the ambience pertains to a concept that is unique and specially customized for your wedding. Rajjas helps you put together the most exotic locations, relishing food from Indian and international cuisines, breathtaking decoration and just about everything else to turn your wedding into a fairy tale.

Hotels and Venues

Explore stunning venues in Rajasthan, Goa, Hyderabad, or your preferred location, such as palaces, beaches, and hill resorts.

We work to get you the best rates in the industry and take care of all your hospitality needs.

We also handle the permissions for any special setups to make your event extraordinary.

Wedding Stationary & Gifting

Suggest card designers to design Concept cards for personalised invitations. Prepare a detailed check lists for all items required, like Welcome cards, thank you cards etc.

Provide unique ideas for the trousseau and gifting for the bride/Groom and their families.

Our Commitment to
fullfill your every need

Decor and Lights

We specialize in designing unique and tailored themes based on your requirements, involving exotic and fresh flowers and special effects for added glamour.

For smaller functions at home, we plan cost-effective decorative options. We ensure maximum power backup to keep the lights on for an uninterrupted celebration

Hospitality and Rooms

Place host and hostesses at the venue and brief them about their areas of operations.

Keep a check on the control room which is manned 24 hours.

Ensure the hospitality team is well groomed, soft spoken

Surprise guests with gift hampers while curating exciting mix of experiences.

Photography and Videography

Suggest and arrange professional photographers anywhere from India.

Ensures that there are proper candid and videos being taken of the wedding for further curation.

”

Our favourite job is to turn
your dreams into *reality*

RAJESH BAIRATHI | DIRECTOR

7 Entertainment & Fireworks

We suggest and provide one of the best performers, Folk artists and musicians. Hiring a choreographer for a fun filled evening has been a must in our checklist.

Provide technical Inputs and support the artists/ choreographers on sound acoustics and light design with the help of sound engineers and light jockeys.

We organize fireworks display during baraat, Jaimala, & Bride's entry, making it a geandeur experience.

8 Bride and Groom's Entry

Compose personalized music for important highlights during the ceremony.

Organise interesting light effects including laser lights, nagadas and confetti blasts to ensure a grand entry for the couple.

9 Dining and Bar concepts

Offer wide range of caterers to choose from- authentic indian to exotic international cuisine.

Customised menu with a well ideated display, while ensuring high standards of service overall.

Organise professional bartenders who entertains the guest with their juggling skills.

Logistics and Others

Allocate cars and manage all the arrivals and departures. Pick-up details shared through text messages.

Cordination between hotels and Venues for transferring the guests.

Assist with salon and spa services at your doorstep, such as make-up artists, hair dresser, draping artists etc.

Arrange anything from luxurious cars to traditional paki Horse, Camels or Elephants for the baarat.

Production & Cordination

Being the single point of contact for all vendors, we meticulously co-ordinate anc manage all wedding related activities.

Ensure smooth flow of events through constant checks by our area managers.

Let us curate your
very own *fairytale*
